Topic: Post-Election Estate Tax Legislative Outlook
Speaker: Ronald D. Aucutt, from McLean, Virginia and Washington, D.C.

This presentation will take an up-to-the-minute look at the factors that influence the prospects for federal estate and gift tax legislation, including the approaching 2010-11 repeal-revival two-step, the surprising congressional attention to the estate tax in 2007-08, and of course the results of the 2008 election and the lingering effects of the 2008 campaign. Our guest speaker will suggest legislative clues to watch for in 2009 and discuss the likely effects of the coming legislation on our clients and our practices.
